

# Ai Slop

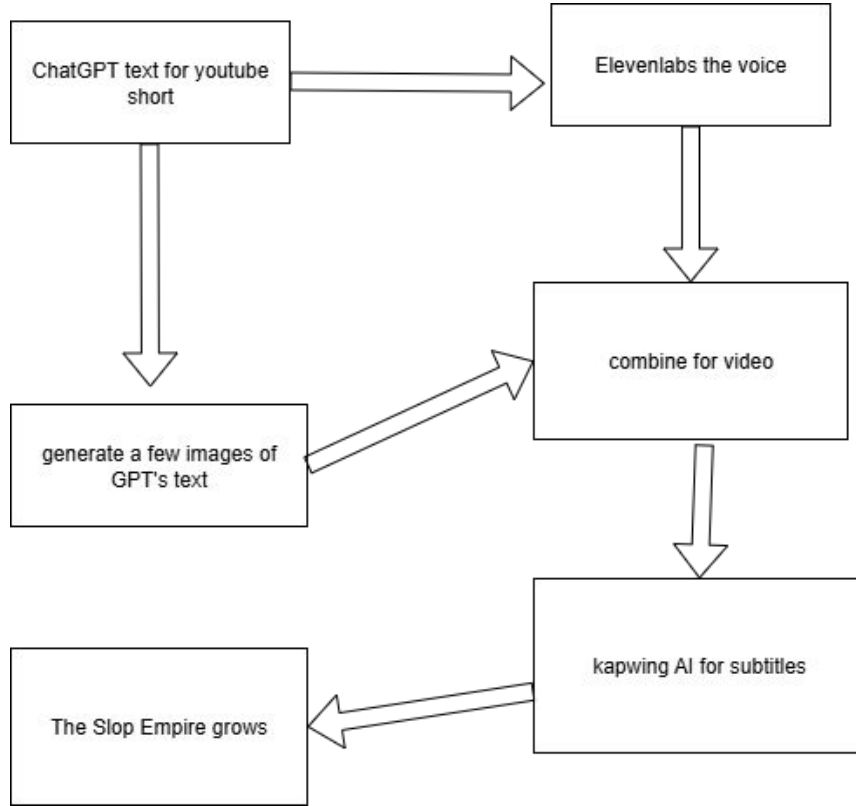

Conrad Parker, Cody Carroll, Ethan Umphress

# Chosen niche and target audience

Weird History and Fun Facts

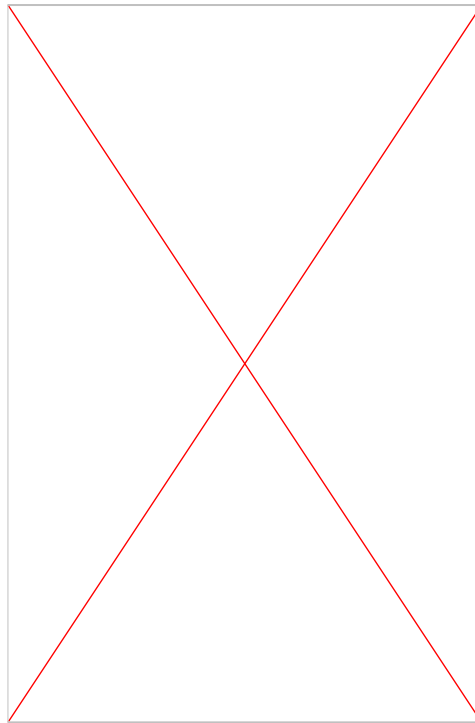

People doom scrolling at night or when they are bored

# AI workflow diagram

# Demo content

Click the X

# How you'd scale this for profit

Make new Youtube channels pumping out content

Sell an overpriced course on how to make this content

# What you learned about AI content creation

AI can be a very useful tool but overusing AI can make your content look like slop and very messy and lazy.
